August 18, 2025

4:16 - 5:00 PM studied for CHEM and Computer Logic & Design

August 19, 2025

8:00 PM - 8:40 PM studied for calculus quiz

August 20, 2025

3:00 AM - 6:00 AM I studied more for calculus quiz and CHEM quiz

August 21, 2025

10:00 PM - 10:45 PM advance reading for GEC recitation

August 22, 2025

10:00 PM - 11:57 PM I crammed/studied the requirements I needed to pass

August 23, 2025

7:11 PM - 8:30 PM studied C++ coding for fun and review for prelim exams

August 24, 2025

4:00 PM - 4:30 studied a bit of GEC

August 25, 2025

6:00 PM - 11:00 PM I studied/crammed all 4 lessons of computer troubleshooting

August 26, 2025

3:00 - 6:00 AM studied GEC for prelim exams

August 27, 2025

8:00 - 11:00 PM studied coding loops and practiced reading code

August 28, 2025

10:00 PM - 2:30 AM studied calculus for the prelim exam and a bit of NSTP

August 29, 2025

9:00 - 10:21 PM I did advance reading on calculus out of guilt

August 30, 2025

5:00 - 7:00 PM I did some studying on netacad and to progress in some courses.

August 31, 2025

3:13 - 3:52 PM did a quick review on GEC again

September 1, 2025

It wasn't really a study session but I did advance study for GEC for recitation and the rest was me doing schoolwork for other subjects.

4:12 PM - 5:02 PM

September 2, 2025

I started around 7:30 PM after taking a nap and I studied calculus till 8:41 PM a good 1 hr and 11 minutes of study time

September 3, 2025

At 7:02 PM I tried studying Discrete Mathematics because I struggle with logical patterns and ended my study time at 7:54 PM.

September 4, 2025

I studied at 7:17 PM and ended at 8:20 PM, it was advance studying for Computer Troubleshooting on netacad because it's the only subject I enjoy

September 5, 2025

4:00 PM I started to review for calculus because I was having a hard time with Exponential & Logarithmic derivatives and ended at 5:30 PM.

September 6, 2025

I had another study time for calculus at 6:12 PM because I had a sudden realization that I was not ready for the Quiz. I ended at 7:30 PM.

September 7, 2025

Studied calculus again at 8:30 and ended at 9:10 PM so that I am sure/secured for the quiz on Wednesday and to finish this journal
